

Praise the Lord

Dear Pastor

With a deep sense of hurt and shock , we as Members of TPM, Pallavaram Church want to submit a report on the happenings in the church involving the Minister-In-Charge Bro Elkanah. He took charge about a year ago. At that time the church people were not happy as he had a disreputable history during his last posting here which involved untoward behavior with a church believer sister. People have a CD with recording of his familiarity with the sister. He was subsequently transferred but now returns after 10 years to the same church at Pallavaram. After an initial period of settling down, **he is seen as a repeat offender**. The following was noticed by the church members –

Inappropriate Behaviour for a Man of God

- 1) **Bro Kitturaj** who has been faithfully in the Cooking Ministry for more than 6 years witnessed a horrific incident. In the Month of September, One Saturday night after Night Prayer was Praying in a Corner Place in the **Hall, went to the Rest Room and when he was coming out from the Rest Room saw a Lady going into Brother Elkanah Room at 2.15am all alone and stayed there for about 20 Minutes. He saw her coming out and going inside the church .**
- 2) During the recent School Holidays, Bro Elkanah went to Sister Rani House in the day time and called the Youth Girls for day spending with good food and general chat.

Proof – One of the Youth name Jeba went to Bro Kitturaj house and met her Daughter Jennifer and called her to join them and told that Brother had come and Jennifer refused to go as she knows Bro Elkanah Character and he has done Couple of times.
- 3) Bro Elkanah has the habbit of talking to young girls with a lot of vivre. On Saturday nights too, when we enter for night prayer at about 10 pm, we see him chatting with girls outside, inappropriately dressed for a man of God, while he should have been leading the night prayer. This happens during the night prayer and after the Night Prayer ends from 12.30am to 1.30am . This is a regular scene on Sundays after service and other days too . There is absolutely no semblance of saintly behavior or decorum expected from a Man of God.
- 4) He has a habit of entertaining chats with young girls and ladies in his room. His attire leaves much to be desired for a Man of God, whenever he meets the believers in his room. Most of the time he is in a **Tight Banian and Lungi**, whether he speaks with a

Sister or Brother or Young Girls showing his Physical body which is not a good practice for a servant of God(Please check with the Ministers Sisters)right from beginning.

Few Examples of eye witnesses (regular occurrence in this past One Year)

- a) On 04/11/17 One **Brother Johnson** and Sister Sara his wife came for the Night Prayer at 10.30pm and the prayer was going on with the Sisters and Believers and to there Surprise saw Bro Elkanah was sitting in the Bench – Verandah and was talking to 2 young girls chatting and Smiling and this family was once again shocked and attended the Night Prayer and decided not to attend the Night Prayer in the near future.
- b) **Bro Vincent** who is our Church member usually comes and park his Van at 1.00am approx and has seen these incidents – chatting with young girls in the Church Verandah after the Saturday Night Prayer from 12.30am to 1.30am. Please call him and find out if necessary
- c) One Monday evening Bro Peter called bro Elkanah and told him that he would like to meet him in person before the Monday Brother Prayer to discuss the building matters after meeting the Officials in the Pallavaram Municipality . Bro Elkanah responded that he was busy and will be going out and hence not to come . However, Bro Peter decided to go anyways and stay on for church and landed early at church. To his surprise , Bro Elkanah in his room in his Banian and Lungi, sitting in the Chair with Sister Rani sitting on the floor near his feet and chatting . This continued for more than 30 minutes. This was the reason Bro Peter was asked not to come to see him regarding building matters.

This type of incident was seen by Bro Johnson many times.

- 5) Recently Bro Elkanah took Bro Arun Son of Bro Kitturaj and had bought Memory Card 8 No's at the Cost of Rs 700 each and Bro Arun gave him a Suggestion to buy for Cheaper Price and he said he has to give to an Important Persons, Please Check.

Misuse of the Pulpit

- 1) Bro Elkanah mentions movie characters in his Sunday messages, prompting us to think that he has seen the movie . This is totally unacceptable from a Man of God to whom the congregation looks upto.
- 2) For the Past 1 year all the time in the Messages on Wednesday and Sunday morning and in the Sanctification Meetings normally attacks Bro Peter Duncan and his family and few more families and it was told by Bro Peter Duncan softly,please don't do this and he

never gave heed to his request except only one Sunday without Condemning in his message 12/11/17.(Please Check with the Ministers- Sisters)

Proof of Condemning Bro Peter in the Sunday School Children day on 1st October

This Particular program was introduced by Bro Elkanah on Saturday Night at 11.30Pm without bringing to Rehearsal or to the Knowledge of the SS Teachers and later when Bro Elkanah called Bro Peter Duncan after the Anniversary was Over and did ask about the Comments of the Anniversary, Bro Peter Said all the programs was good except 2 of them and one was about using God's Name in Vain and attacking an Individual, Bro Elkanah said that he gave the Lines to HM Son Aaron Ashish who is also a SS teacher and he has written like this which is an Utter Lie, because both the Children of HM does not know to read or Write Tamil as they did not study in the School and also he said the same program was played in IBR and St Thomas Mount

Video had been taken and it is available to see if necessary and can be sent by email.

3) He has the habbit of talking vulgarly in the messages with no connection.

One of the Bible Study, all of a Sudden he took the Verse in 1st Peter 2-3 as peter writes about the Sincere Milk and he did said the below mentioned words in Tamil and made the whole Congregation was Shocked and bowed down there heads including the Ministers Sister – Please refer to Mother Cynthia or Elder Sister Sheba.

And Said in tamil that I used to drink my Mothers Milk till the age of 4 and my Aunt had more milk, I went and drank with her also and this is the reason I am hale and healthy today.

As our Church recommends not to use Whatsapp, many believers do not use but not Br Elkanah

During one Saturday Night prayer, all of a Sudden approx 11.00pm from his cell he called a Minister or brother not sure and asked him the about the Shed Collapse during an Youth Meeting and requested him to send the Pictures by Whatsapp and this particular brother did send to an believer who had whatsapp after some time and almost 30 to 45 minutes gone during the Night Prayer(Please Check with the Minister Sisters)

Lust for Food

He one Minister Sisters to Pallavaram Faith home during Convention days, 2 or 3 days and with the help of believers made them to make good tasty food and was given to him by the Minister. The Minister was take by Car driven by Bro Peter Duncan atleast for 2 days.

This irregularity does not seem right when so much of Food is available in the convention Campus.

Bro Elkanah has 2 Cells – A ordinary one and the other good one.

Last week a Sunday Class a girl studying in 8th grade just took Bro Elkanah Cell and saw Cinema Songs were loaded in his cell and she asked him how come your cell is loaded with Cinema Songs and he said casually told her to go on and forget it. She came informed her Sunday School Teacher immediately.

Both the Cells should be seized and should be checked as this has become very convenient for him for all his Sinful Activities but by this time he could have deleted all the Cinema Songs as he knew very well his time is nearing.

Conclusion

It is our duty to bring this matter to our Elders of our Church and we cannot tolerate any more Immorality inside the Church that to by a Minister In charge and request you to take immediate action to Solve this issue immediately. There are many more irregularities within the church. The list will be endless.

We just want to keep the church Holy and a place of cleansing for us in a true sense.

Kindly do look into the matter and take action on the moral issues facing the Brother in Charge.
